Cut from patchwork fabrics

A1 A2

The image shows a hand-drawn profile of a shape on the left side of a page. A vertical line is drawn through the profile, serving as a reference axis. A diamond-shaped label containing the text 'A1 A2' is positioned on this vertical line. The profile itself is a continuous, irregular line that starts at the top left, curves to the right, then down, then right again, and finally down to the bottom left. The right side of the profile is mostly blank.
